

RNS 510 ist ab sofort lieferbar!!

Beitrag von „jonee“ vom 29. Juni 2007 um 09:11

I read on a Dutch site that the Touareg and T5 need the **RNS 500**, and other (newer) VW models (Touran, Golf V, Polo, ...) with newer CAN BUS integration, need the RNS 510.

Can anyone confirm that?
