

Order 1 V6 TDI in Germany

Beitrag von „amboß“ vom 19. Oktober 2004 um 20:01

I ordered a V6 TDI at the VW dealer about two weeks ago (first official week to order).

My estimated delivery time is May 2005, other people in this Forum tell about first Quarter of 2005 as their delivery time.

VW dealers will probably get exact delivery times at the end of November.
