Beitrag von „garanti1“ vom 6. Juni 2010 um 10:02

Hello,

I order my new Touareg for 3 weeks ago and the dealer confirm manufactory week will be 25 and delivery ready in sweden in week 28 🙏🙏.

Before I sign up for my new Touareg the said it will take atleast 3 months so it is very positivt to get the car in July 😊.

I order a V6 TDI, Galapogoes Antricitte.
