Hallo Peter,

thank you for your interesting trip report and the beautiful pictures. We spent wonderful days in 2009 as our Experience in Iceland. Tomorrow starts our tour to Korsika 🤗

Greetings from Stephan 🤗

Thank you all for your kind words

- And yes I saw that Korsika adventure just a bit to late, hope to join in at a later date... Just ordered a set of General Grabber AT2 265/65-17 in preparation for a trip o Morocco sometime in 2012...
