

Tipps für den Urlaub mit dem Touareg

Beitrag von „khclp“ vom 16. Mai 2013 um 04:38

Hi Simon,

I can't say if it's with your V10 same but you also should set your head light for left hand drive.

With my TII I can change that via the setting menu from RSN850.

I also would take some oil 50601 with me rest as Frank said should be no problem.

wish u very nice and safe trip.

Kind regards

Kurt
