

Need help finding correct part number

Beitrag von „rollo68“ vom 8. Juni 2004 um 14:07

Hello Spotcat!

I drive a Touareg V10 with
start-stop-button and

wood decoration. The part number for the decoration reads 7L6 863 916 CT 2WE
the designation 2WE is the wood color.

If you need more help write us.

MFG

Roland 😊
