

R5 Motor-Tuning

Beitrag von „Stef“ vom 20. Juni 2004 um 00:17

Tuning of a VW isn't a problem at all if it is done by VW or the importer himself.

I had my Golf Cabrio tuned by the importer and the warranty (garantie) stays as it is !!

Even the car documents are changed with the new power on it, so the taxes are based on the new power. For the assurance, also the new power is the base for there quotation.

My T-Reg will also be tuned by VW !!
