

## Touareg aus 2. Hand - ein Thema?

Beitrag von „LarryLaffer“ vom 14. Juli 2005 um 17:46

ich hab 'ne Antwort (vom R5) bekommen. Genau wie vorhergesagt:

"Dear sir,

The price that you will have to pay me is 19800 EUR, because you don't have to pay VAT.

Thank you for your interest. I am in Italy.

As I told you I sell the car due some circumstances in my life.

I had an accident and I lost my hearing and also my wife in it.

Don't worry the accident wasn't in the Touareg.

What I have to tell you further about the car is nothing, It is a beauty and looks like the first day I bought it.

The KM: 8000 Year:10/05/2004.

Here are also pictures of the car.

The car is like new and never had any problems .Never had accidents.

Thank you"

"thank you, and good night" (Futurama/Bender)

PS: Die Fotos die er dazu geschickt hat sind älter als das Auto! (Ein Dank an die Nikon E5700 die das Bild mit vielen, vielen Metadaten ausgestattet hat 🤖)
