

Blöd oder Saublöd?

Habe ich eben hier von unserem Kunden bekommen:

BEST OUT OF OFFICE REPLIES

- 1) I am currently out at a job interview and will reply to you if I fail to get the position. Be prepared for my mood.
- 2) You are receiving this automatic notification because I am out of the office. If I was in, chances are you wouldn't have received anything at all.
- 3) I will be unable to delete all the unread, worthless emails you send me until I return from holiday in 4 weeks. Please be patient and your mail will be deleted in the order it was received.
- 4) Thank you for your email. Your credit card has been charged \$5.99 for the first ten words and \$1.99 for each additional word in your message. Local State tax is not included.
- 5) The email server is unable to verify your server connection and is unable to deliver this message. Please restart your computer and try sending again.
(The beauty of this one is that when you return you can see how many In-duh-viduals did this over and over).
- 6) Thank you for your message, which has been added to the queuing system. You are currently in 352nd place and can expect to receive a reply in approximately 19 weeks.
- 7) I've run away to join a different circus.

AND, FINALLY, THIS ONE TAKES THE CAKE:

I will be out of the office for the next two weeks for medical reasons. When I return, please refer to me as 'Margaret' instead of 'Phil'.
