

2006 model, VW save money

Beitrag von „Franks“ vom 17. Dezember 2005 um 04:46

Yes, all 2006 models have these nice additions removed. I guess VW thinks nobody cares and they can save a few (million) Euros and they are probably right except for those who can compare a 2004/2005 with a 2006 model.
