

Retrofit timer for built in heater on TDI Treg?

Beitrag von „V6TDI“ vom 18. Dezember 2005 um 16:33

See diagram No 12/3 here : <http://vw.touareg.free.fr/diagram.pdf>

Maybe we can add the timer: sun roof display J703.

And connect the can bus link : J703 pin 1-2 to the dash pannel J533 green connector pin 31-32.

what do you think about it ?

ref of the timer J703 : 7L6 919 044 J 5J6 (cristal grey) 180€
