

Wieder mal ... ABHOLUNG

Beitrag von „Stef“ vom 1. August 2004 um 00:55

How is this exactly called in German ?? I am planning to ask my dealer (Ausland) if it is possible for me to get that also and to get my car delivered in Wolfsburg.

Therefore I would like to have the exact name(s) and/or order number and/or price. Where can I find those?? 😞

(You can answer in German, I can read it and do understand it, only writing it is a problem).
