I pulled the unit out and the Model # is 7L6035191H.....

I am going to leave it in for awhile and play around with it....

Meine Antwort darauf war:

Why don't you post your question on the German forum. Al ot of members speak pretty good English. I am sure that you might get some help there!

Just go to: <https://www.touareg-freunde.de/> , register and state your problem!

Good luck!
