

Einladungen und Teilnehmer des Treffen der Internationale Touareg-Freunde

Beitrag von „Stef“ vom 8. August 2004 um 02:17

Would like to come, but my Touareg will only be there by November or December, so this is to late. And coming without driving isn't fun at all.

Where is this hapening exactly (to see how far this is from my place) ?

(Answer in German is ok, can read it and do understand it, but writing ...)
