

Ipod + Harman Kardon Drive&Play

Beitrag von „jms admin“ vom 7. September 2006 um 18:16

Pics of the installation which I realised yesterday in my Treg

[Blockierte Grafik: <http://img242.imageshack.us/img242/4059/vueensemblekxf0.jpg>]

It is in conformity with my hopes, a good navigation in the menu of Ipod, the charger CD remains active and it goes "nickel" 😊
