Zitat

Warranty period:

The New Vehicle Warranty is **4 years or 50.000 miles**, whichever occurs first

Where to go for warranty service

This warranty will be honored by any authorized Volkswagen dealer in the United States, including its territories, and Canada.

If your Volkswagen is brought to an authorized VW dealer outside the United States, including its territories, or Canada, this warranty does not apply.

Defects in material or workmanship will be corrected under the terms and of the warranty of new Volkswagen vehicles in effect in that country.

Dein US- Touareg hat also in Deutschland die gleiche Garantie/Gewährleistung wie ein deutscher Touareg.

Gruß,

Frank
