Which are the most popular Touareg models in the UK?

Matt

V6 Sport; Off-road Grey, SatNav, Xenons, Tints

And, for when I feel the need for speed, a Boxster S 😊

Es ist fast schon VW- Tradition, in England eine ‚Sport‘- Variante der Modelle anzubieten, diese beinhalten dann Ausstattungen, die es bei uns in anderen Paketen oder einzeln zu bestellen gibt. Mit ‚Sport- Version‘ so wie wir das verstehen würden (tiefer, breiter, schneller 😊) hat das nichts zu tun, hier ist eher die Marketing- Abteilung und nicht die Tuning- Abteilung tätig gewesen.

Der 1,8T- Passat lief in UK auch immer unter der Bezeichnung 20V am Heck, das sah wohl auch sportlicher aus..

Gruß,

Frank
