Salve Enzo!

Congratulations! Organzing an event with that kind of attendance is always challenging. Our annual meeting also took place last weekend - 05-07th in Frankfurt though.

What website do you guys operate? Do you have a website at all. Maybe we can hook up once

for an joint meeting?

For pics and details of our get together check-out this thread: [LINK](#)

Any group picture or pictures in general?

PS: Italian name in Czech Republic??
